

Web Sites for Laboratory Instruments and Products

Enter to Win an iPad Mini!

Internet Web sites have become major sources of information about instruments and other products used in the laboratory. This study will tell these manufacturers/vendors what you want to see on Web sites about products for the laboratory. You can rate Web sites you use for their value to you.

To thank you for your assistance, your name will be entered into a drawing for an iPad Mini when you complete the survey.

NOTE: To "deselect" an answer that has been entered incorrectly, use the mouse to click on the gray area surrounding the radial answer button.

1. Do you use or direct the use of analytical and/or life science instruments?
Mark one per column.
